Face to Face Depends on You...

Dear

At this special time of year when we give thanks for the abundance and the miracles in our lives, we at Face to Face give thanks for you and all that you do for our community. You give life to our motto of Hospitality, Mutuality and Transformation. In Germantown 26% of the men, women and children live in DEEP POVERTY; which means a family of four living on \$11,700 a year or less and a single person living on \$5,700 a year or less. Through your work here you have seen the effects of this extreme deprivation.

With your help Face to Face relieves suffering through our Dining Room, Health Center, Legal Center and Social Services Center. You assist us in lifting our children to a brighter future beyond the grasp of poverty through our summer camps and after school program. In the last six months attendance in our Dining Room has increased a stunning 99%. Food stamps have been drastically cut and general assistance has been virtually eliminated. For the homeless, elderly, mentally ill and struggling families that we serve we are an oasis of comfort and hope.

Face to Face depends on you as a faithful volunteer. Many of us have been touched by acts of unexpected kindness and generosity; we ask you to do the same for the people of Face to Face. Your contribution will feed a family a nutritious meal, help a mentally ill person avoid eviction from an unscrupulous landlord, or enable a homeless person to get their feet treated by a podiatrist. You can be the miracle this holiday season in the life of someone who will truly appreciate the unexpected kindness.

Gratefully,

Mary Kay Meeks-Hank
Executive Director
